

Four Noble Truths and *Kāma*

Average Human	Noble Persons	
<i>Kāma</i> (sensual experiences) are desirable	Sensual experiences are empty of value	First Noble Truth (What suffering is)
Pursing <i>kāma assāda</i> is beneficial	Pursuing <i>kāma assāda</i> leads to suffering	Second Noble Truth (root cause of suffering)
Not having enough sensual pleasures is suffering	Future suffering stopped by losing cravings for them	Third Noble Truth (stopping future suffering)
Noble Eightfold Path is not pleasurable	Noble Eightfold Path is the way to stop suffering (i.e., to lose craving for <i>kāma</i>)	Fourth Noble Truth (the way to eliminate suffering)
